

Vote Saturday On Junior College For Lake County

Voters will decide Saturday, Oct. 7, whether Lake County will have a Junior College in the near future.

Polling places have been designated by Dr. W. C. Petty, Lake County superintendent of schools. Antioch Community High School will be the polling place for all voters who live in the Antioch High School district.

The polling place will be open from noon Saturday to

7 p.m. Voters must be registered to vote on the junior college question. However, they may register up to noon October 7 and be eligible to vote.

Voters who are not registered may do so at the County Clerk's office in Waukegan, or at either of two places in the Antioch area—with Mrs. Marcella Jesse at the Antioch Township office at 920 Main St. in Antioch, or

with B. Donald Brown at the Phillips 66 service station at the corner of Route 59 and Grass Lake Road.

For those who wish to register at the Township office in Antioch, the office is open from 9 a.m. to 5 p.m. on Monday, Tuesday, Thursday and Friday, and from 9 a.m. to noon Wednesday and Saturday.

Judges for the election will be Mrs. Agnes Hills, Mrs. May

Sexauer and Mrs. Gertrude Dupre.

The Lake County Association of Township Officials has come out in favor of the establishment of a Junior College in Lake County. At a recent meeting of the Association, the members adopted unanimously a resolution supporting a junior college.

Dr. W. C. Petty, who supports the formation of a Junior College District, says he

doesn't know of any greater boon for Lake County than the formation of a Junior College District.

Jack A. Adams, president of the Lake County Junior College Association, has urged Lake County residents to vote for a Junior College, giving several points in favor of passage of the referendum.

Though taxes would be increased locally to pay for a portion of the cost of a Jun-

ior College, Adams said, the lion's share would be paid by State and Federal funds, and other sources of revenue.

If Lake County voters turn down a Junior College District on October 7, their taxes will be used to build Junior Colleges elsewhere in the State, and local high school districts will continue to have to pay to send Lake County youngsters to Junior Colleges outside Lake Coun-

ty. A Junior College in Lake County would attract business and industry, Adams said, broadening the tax base and lightening the load on individual taxpayers.

Local taxes would cover one-third of the cost of operation of the college, Adams says with another one-third of costs reimbursed by the State. Each student from outside the District would pay tuition. Other sources

of revenue to a Lake County Junior College would include Federal funds, private grants, donations, endowments and funds from foundations.

If the formation of a Junior College District is approved in the October 7 referendum, the first taxes would be collected in 1969. Initial operations in 1968 would be funded by a \$100,000 grant from the State, plus (continued on page 3)

Don't Scorn Politics Advises Sabonjian

Mayor Robert Sabonjian discussed politics and the progress of the city of Waukegan under his regime in a speech at the Antioch Chamber of Commerce luncheon at Lorenz's Smart Country House last Thursday.

An appreciative group of Antioch business men and women gave the Mayor a resounding round of applause at the conclusion of his speech.

Mayor Sabonjian declared that more honesty is sorely needed in politics, particularly the kind of honesty that gives the office-holder the strength to say "No" at the right time.

Sabonjian accused businessmen of viewing politics as a "dirty business" and holding themselves superior to it. The talents and abilities of businessmen are needed in politics, he said, and if the business community does not take an active part in politics they "will get the kind of government they deserve — bad Government", he said.

He works closely with the businessmen of Waukegan in bringing improvements to the downtown districts, he said, and has had excellent cooperation from them. Industry is important to the growth of any municipality and must be sought out and encouraged, he said.

Mayor Sabonjian touched on lawlessness and racial

riots in his city. He would not venture to advise other Mayors on how to handle these matters, he said, for each Mayor must know his own city. For himself, he said, he would not tolerate lawlessness in his city.

Sabonjian condemned Federal programs that encourage immorality. He cited relief programs that encourage laziness, ADC programs that en-

courage the birth of illegitimate babies as examples of immoral government. These abuses can only be stopped, he said, by the active participation in politics of decent, responsible citizens.

Waukegan's popular and controversial Mayor was the only speaker on the Chamber program. He was greeted by Mayor Ray Toft and introduced by Preston Reckres, Jr.

Lions Candy Day October 6 & 7

Members of the Antioch Lions Club, and their wives, will work hard Friday, October 6th, and Saturday, October 7. They will be "giving away" rolls of candy in return for contributions to their program of aid to the blind.

Candy Day for the Blind is a state-wide event. The candy sales have helped to provide free education to thousands of blind persons through the services of the Hadley School for the Blind; Train 306 Leader Dog teams, which have given mobilization to blind persons throughout the state, so they may hold a job; Reach more than 6,000 blind people with Dialogue, Recorder Magazine for the Blind; Set up Glaucoma Clinics, give eye tests, make gifts of braille writers, typewriters, tape recorders and white canes, and send 300 visually handicapped children to Illinois Camp Lions as guests of Lions Clubs in 1965 alone. The

children were from all over the state.

Ray Jensen is chairman of the Antioch Lions Club Candy Day. Last year about 70 Antioch Lions took part in Candy Day.

First Aid Classes Start Tonight

A course in First Aid, sponsored by the Antioch Rescue Squad, will start tonight (Thurs.) at the Antioch Rescue Squad Building.

The classes start at 7:30 p.m. It is not necessary to pre-register, according to Instructor Dan Dugenske. The class will meet every Thursday for the next five weeks. Those who successfully complete the course will receive a card certifying that they have taken the First Aid training.

Fill Six Classes At Night School

The adult evening education program at Antioch Community High School began September 25, 26 and 27, with six classes operating.

Business skills and Art received the heaviest enrollment this semester. Typing, Shorthand and Bookkeeping classes, Beginning and Advanced Art and Conversational Spanish received sufficient registration to operate.

All classes except shorthand meet once a week for ten weeks. Shorthand meets twice a week for ten weeks. Classes are scheduled on Mondays, Tuesdays and Wednesdays.

The Art classes are both filled to capacity, as they have been for the past year. Mrs. Jane Craner is the instructor and has done an outstanding job, as is attested to by the registration for her classes.

Antioch Gives \$400 To Salvation Army

Doughnut Day taggers in Antioch raised \$400.02 for the benefit of the Salvation Army on its area-wide tag day June 9. Mrs. William Brook was chairman of the Antioch drive.

Fox Lake, with Mrs. John

Friends Start Fund For Injured Girl

Mary Sorensen of Antioch, seriously injured in a traffic accident on Sept. 22, has some good friends who are starting a fund to help with expenses resulting from the accident.

Mary is the daughter of Ruth and Al Sorensen of Petite Lake Road. She was attending Upper Iowa University in Fayette, Iowa, when the accident occurred.

Mary, a passenger in a car driven by a friend, was thrown against the dashboard. Her vocal cords and windpipe were crushed and vertebra in her neck broken. She was rushed to a local hospital for an emergency tracheotomy, then to Rochester Methodist Hospital in Rochester, Minn., where she

Killed In Viet Nam

A former resident of the Antioch area was killed Sept. 22 in Viet Nam.

Pfc. David A. Krisan, 19 years old, of 6109 South Austin Ave., Chicago, died of wounds received from artillery fire while in a defensive position. He was near Quang Tri when he was wounded.

Pfc. Krisan was born Oct. 22, 1947, in Lake Villa and lived in Venetian Village until 1954 when he moved to Chicago. He entered service on October 22, 1964. He was preceded in death by his father, Anthony Krisan, on March 5, 1952, and by his step brother, Anthony Krisan, Nov. 11, 1953.

Survivors are his wife, Mae; his parents, John and Alfreda Lukaski of Chicago; one sister, Nora Louise Krisan; one step sister, Mrs.

Soldier Writes Thanks For Project Viet Nam

Fifty-odd packages were shipped from the Antioch post office again this week to Antioch area men serving in Viet Nam. The packages are part of Project Viet Nam, a project started by the personnel at the post office and now participated in by a good share of the people who live in and around Antioch.

A letter was received at the post office last week from Rick Fowles, one of the Antioch men who has been receiving the packages. Rick is one of many young men who have written to the men at the post office to thank them for gifts and greetings sent from the folks back home.

Rick writes:

To all the nice people at the post office, I cannot express enough all the thanks to the people of Antioch and all you fine people at the post office. It really is a great morale builder for a guy over here to receive all the packages filled with the small essentials and goodies that I, along with many other home town boys, have received while serving in Viet Nam.

The people of Antioch that thought of this gift-sending to

show their thanks to the boys over here are truly Americans. It is terribly disheartening to read about all the rioting and killing going on at home and all the protest against the Viet Nam war. It is little things like you wonderful people are doing that really show a guy that it is worth all the trouble and heart aches to be over here.

Slowly but surely my day of returning to the States is arriving and I along with every other American here know exactly how many days I have left to serve in Viet Nam.

My job here is a pretty soft one and often time a lot of fun. I fly U-8's or Twin Beachcraft Bonanzas for the Army. My home base is at DaNang which is in the Northern part of South Viet Nam.

Da Nang is located about 2 miles from the South China Sea and about once a month we go down to the beach and get a little sun and swimming in. No matter what you hear or read, war has its good times as well.

Well, folks, again I cannot thank you all enough for the happiness you give each of us over here when we receive that little brown box full of fudge, brownies, candy, pens, etc. The day cannot arrive soon enough when I can personally come into the office and thank you all.

I will be seeing you all in April of '68 and again, your thoughtfulness makes this year go by a little faster. Keep up the fine work. Your friend from R.U.N. Rick

P.S. That fudge is great!

Board Sticks To Sewer Assessment

The village board Tuesday night rejected the request of Fred Jach that the sewer assessment on property in Industrial Acres be lowered.

John Conville, speaking for Jach, said that he was being assessed for 245 feet of frontage, when in fact he only owned 130 feet, on which his factory would be built. The rest of the property, he said is being bought on land contract and is not in Jach's name.

The building inspector had refused to issue a building permit until the assessment was paid.

The board refused to make any concession on the assessment. Several factories in Industrial Acres, they pointed

out, had had to pay sewer assessments on frontage on which no buildings were erected. If Jach used the area for a parking lot, Mayor Ray Toft pointed out, the village would never be able to collect the sewer assessment due them unless they got it now.

The board discussed the problem of collecting money due the village for mowing weeds on vacant lots. Thirty lots belonging to Lewis Winston in Oakwood Knolls had been billed for \$357; attorney Ed Jacobs was instructed to prepare a lien against the properties.

The question of payment for sewer hook-ups in several houses belonging to the same man came up. The water department was instructed to turn off the water in each house as it became vacant and put a tag on it, preventing Winston from renting it. The water, they were instructed, was not to be turned on until sewer hook-up fees were paid.

HIRE POLICE OFFICER

Trustee Arthur Meierdink reported that the police committee recommended that Alen W. Tyndall be hired as a patrolman on the Antioch police force. He said Tyndall had three years with the Addison police force and training as a juvenile officer. He was highly recommended by his superior on the Addison police force. He has a summer home in the Antioch area and will make his permanent home here if employed here. The board approved his recommendation.

Sales Tax For 3-Month Period

Sales tax collected in April in Antioch amounted to \$6,732.82; in May, \$6,615.08, and in June, \$8,275.78.

Sales taxes collected in Fox Lake for the same period are: in April, \$7,498.57; in May, \$8,521.32; and in June, \$9,811.56.

The board gave engineer Frank Angeletti permission to straighten out Poplar Ave. near the proposed polishing pond, to remove trees from the area and to burn them. Plans for the pond are being modified after consulting with the sewerage department.

Mayor Ray Toft asked Attorney Jacobs to investigate a recent House bill which he believed gave the local police the power to lay out traffic lanes in the Antioch plaza. There are frequent minor accidents in the plaza because no traffic lanes are laid out.

Trustee Dick Radke reported that the committee appointed to select bicycle licenses recommend an aluminum tag. The tags will be less expensive than plates and more effective, he said. The tags will be renewable yearly and will cost each applicant 50c. About 170 bikes are now registered at the police station, he said. The clerk was instructed to order the tags, and Attorney Jacobs to prepare an ordinance covering the operation of bicycles in the village.

Fires Damage Two Homes

A fire at the home of Donald Parks at 292 Elmwood Lane in Oakwood Knolls, Antioch, on Sept. 28, resulted in damage of about \$1,750.

The Antioch Fire Department was called to the scene about 6:30 p.m. Fire Chief Charles Mapthorpe said the fire apparently started in a closet, but firemen had no idea what caused it. The property is owned by William Hart.

Fifteen minutes later, the Fire Department was called to the home of Kenneth Smouse at 516 Winsor. A lamp had been pushed against drapes, setting them on fire. Firemen quickly extinguished the blaze, which did about \$200 damage.

Name Homecoming Queen This Friday Night, Oct. 6th

One of three senior girls at Antioch Community High School will be chosen Homecoming Queen Friday night, to reign over Homecoming activities Saturday.

The three candidates for the title of Homecoming Queen are Cyndee Cross, Linda Schultz and Janet Pachay. Three girls from the other classes will make up the Queen's Court. They are Cathy Pawlowski, freshman; Sonya Nelson, sophomore, and Gail Bonner, junior.

"Sequoit Siege In '67" is the theme of the 1967 Homecoming. A Pep Rally and bonfire start-off activities Friday night. The queen will be announced at the Pep Rally. A guest speaker, football coaches and players, the cheerleaders and the pep band will all be features of the Pep Rally.

A sock-hop in the gym will follow the bonfire and rally. Homecoming parade will

begin at 10 a.m. Saturday, preceded by the judging of class floats and cars at 9 a.m.

Homecoming game, with Wauconda as the opponent, starts at noon for the sophomores and 2 p.m. for the varsity.

The Homecoming dance will start at 8 p.m., with the Talk of the Town Band furnishing the music. The coronation of the Queen will be at 10:30 p.m.

Candidates for Homecoming Queen and Court. Front row are the Queen candidates, Cyndee Cross, Janet Pachay and Linda Schultz. Members of the court in the back row are Cathy Pawlowski, freshman; Gail Bonner, junior, and Sonya Nelson, sophomore.

Vote Saturday

Whether or not Lake County will have a Junior College will be decided next Saturday at the polls.

With taxpayers already squirming under increased taxes and proposed increases, the outlook for the Junior College referendum is not too happy. Voters should, however, consider carefully the benefits of such an institution before summarily rejecting it because they feel the tax load is too heavy.

Good schools are the basis, the first and main ingredient, of a good community. And certainly every taxpayer wants his locality to improve in desirability.

A Junior College would be a tremendous boon to all High School graduates who are not well off financially, and want to continue their schooling. The chance to get in their first two years of college while living at home could be the one break they need to become much more valuable citizens.

We can't think of anything, short of a four-year University, that could do more for the area, culturally. A Junior College would certainly be a far greater contribution than a museum, parks or any other civic institution.

A Junior College would be a definite drawing card for desirable industry. All such industries now require most of their young executives to pursue further education in related fields in the evening hours. The easy accessibility of a Junior College is an added plus for industry.

True, we'll have to pay for it. That's not easy. But let's not "take out" our frustrated fury at fiscal irresponsibility on the state and federal level on local improvements. This is one place we get our money's worth.

It is also true that while the State funds that will be available to us come out of our pockets, they also come out of the pockets of taxpayers throughout the state. And if we don't build a Junior College, our money will be used to build a College in some other community.

It is also true that we must now pay tuition of any high school graduate in our High School District who desires to attend a Junior College, if we have no Junior College in our District. Though this amount may have been negligible, it will increase tremendously in the next ten years as more Junior Colleges are built and more students take advantage of this opportunity.

So consider the pros and cons and vote Saturday.

Courthouse Notebook

Judging by the reception he received when he visited his old Alma Mater last week, little Eureka College luminary Ronald Reagan is the brightest star in the Republican presidential firmament at the present time.

The California governor enchanted old classmates, faculty and thousands who had never heard of the tiny college, but turned out for the dedication of a new library just to see Gov. Reagan. According to reports he created the type of charisma with both men and women in the audience that practical politicians can easily see being turned into good hard votes.

Despite continued disavowals of any plans to seek the GOP presidential nomination in 1968 Gov. Reagan certainly has to be considered a factor.

In sharp contrast to the favorable press the amiable Californian received, Michigan Gov. George Romney has been the target for some sharp journalistic jabs in recent weeks which have unquestionably hurt his chances for the nomination.

The bad press apparently has not dimmed his luster as a drawing card, however, because reports indicate he will speak to a full house at the Lake County Republican Federation Dinner, Oct. 14.

Tickets for the dinner to be held at the Lake County Fairgrounds are available at the Federation headquarters in Waukegan and from a host of willing ticket salesmen.

House Speaker Ralph Smith apparently found a few people who discovered a way to "take it with them" and he was reaching beyond the grave in an effort to extract the last full measure of tax revenue when he sponsored legislation levying an inheritance tax on life insurance.

This has to be the most politically inept legislation to be offered since Prohibition, particularly for a legislator with professed gubernatorial aspirations.

Smith is getting most of the blame for the legislation which will probably be repealed or extensively amended during the current extended session, but actually he isn't entirely to blame.

Legislative leaders on both sides of the aisle spent the first five and a half months of the 1967 session playing politics and making speeches when they should have been taking steps to pass revenue bills that would meet the needs of the state.

If Smith's inheritance tax bill had been presented early enough for normal debate and study it almost certainly would have been killed or at least made reasonably palatable to the people who have to pay it.

Gov. Otto Kerner cannot escape responsibility either since his budget message was presented late in the session and he failed to throw the raw meat on the floor to the Republican majorities and demand early action on revenue measures.

The bill will be changed, but the people of Illinois will be a long time forgetting those who tried to add new burdens to widows and orphans.

There is a great deal of effort being expended to get out an affirmative vote on the county Junior College proposal Saturday and it is hoped the effort is successful.

But let's hope those who are interested in higher education in Lake County do not overlook the support needed to bring a four year state college to this area.

The Lake County Board of Supervisors and the Lake County Forest Preserve Commission have initiated steps which should help by their efforts to purchase the Lakewood Farm in Wauconda, but strong backing from prestigious individuals and organizations is also needed.

Letters to the Editor

To the Editor:

Concerning the Junior College Referendum of October 7th, I believe most of us agree that better and better education is needed for our young people, but I also know that education, in a number of areas, is costing the taxpayers ALMOST 75% property tax. HOW MUCH MORE CAN THE TAXPAYER BEAR?

I believe there are some other considerations worth mentioning also:

1. Young people who do not care to go to college, and the older people who have already paid for educating their children, should not be forced to subsidize a Junior College System, which is undoubtedly only the first of a series of tax increases.

2. For students wishing to live at home, while achieving higher education or training, there are number of colleges within commuting distances; in fact, there are 26 pages of vocational schools listed in the Chicago Red Book; there are local high school night courses (some giving college credits); and there are many university correspondence schools.

3. Because of the present heavy tax burden, many grade and high school referendums have been defeated by the Lake County voters, and essential educational programs eliminated. I believe that the taxpayers' first and most important obligation is to adequately finance grade and high school education.

There are many considerations which the Lake County Taxpayers Committee, P. O. Box 188, Zion, Illinois 60099, has enumerated. They will send you a copy or two FREE if you will send a self addressed and stamped envelope to above address.

Whichever view you may have, express yourself the American way—VOTE OCTOBER 7TH!

THE GREATEST GIFT TO A CHILD

"The greatest gift a parent can give to his child is not money earned by long hours on the job or the social prestige gained by belonging to 'the club.' The greatest gift for a child is time spent with him or her in a variety of activities as a family unit."

Through spending time with the child, he or she will gain respect for others, understanding of self, and growth toward mature characteristics of adulthood. A parent's wealth lies in his or her children. Wise investment in his or her family reaps great interest.—The LeRoy Journal.

Symbol of Better Health

Rx Stands For Prescriptions

There are many theories regarding the origin of the symbol, "Rx". . . one claims that it is an abbreviation of the Latin word, "recipe." Whatever its origin, the "Rx" today symbolizes the prescriptions that help us attain better health, longer life.

Home from Hospital After Injuries

John DeBoer, 440 Fillweber Court, Antioch, is home from the hospital and convalescing after being injured in a fall while at work on house construction.

DeBoer was working on the second floor of a house under construction in Sequoit Terrace. He fell from the second floor to the basement. The fall was made worse because he fell through a stair well. Otherwise the floor of the first floor would have broken his fall.

He suffered broken ribs and vertebra and will be in a cast for some time.

how good can life be?

WHAT IS GOOD?

How does it happen? Nobody seems to have enough, but people have all kinds of thoughts about it. Is it a thing, an event? An idea? Perhaps it's just being close to God. St. Paul said, "He is not far from every one of us."

YOU CAN HEAR a searching lecture on man's potential for good by **FRANCIS WILLIAM COUSINS, C.S.S.**, an experienced teacher and practitioner of Christian Science from Manchester, England, and member of the Board of Lectureship of The First Church of Christ, Scientist, in Boston, Mass. **NO COLLECTIONS ARE TAKEN, no registry to sign. This is not a sermon or a church service, but a public lecture ranging from the nature of good as a divine force, to the practical rules for spiritual healing. You will be most welcome.**

Vote on Jr. College..

(continued from page 1)

another \$100,000 that a private citizen has agreed to donate if the voters approve the district.

If the Junior College District is formed before 1971, the State will pay three-fourths of the cost of building the school. But if voters wait until after 1971, the State will pay only one-half the building costs.

The Subcommittee's studies, Adams said, have indicated the need for a maximum tax limit of 19c for each \$100 of assessed valuation. Only 4.9c of the total is expected to be needed during the first year of operation. At the maximum tax rate requested, taxes to be paid on a house with an assessed valuation of \$10,000 would increase \$19 a year.

TAXPAYERS COMMITTEE
The Lake County Taxpayers Committee has expressed opposition to the formation of the Junior College District. They cite expected increase in the federal income tax and higher state taxes as one reason.

Building of a Junior College will lead to the defeat of more grade school and high school referendums, they say. Dr. W. C. Petty says he does not believe the addition of a Junior College will have any effect on referendums for other schools.

The Taxpayers Committee says plenty of colleges are available to students, and that there are plenty of scholarships available to aid them.

Gas cooking makes sense.

Because today's new gas ranges give you more features per dollar than any other range—actually cost less to buy, less to use.

Because you're in command with gas. When you turn it off, it's off. There's no hangover heat to scorch food or overheat your kitchen. And when you turn it on, it goes on—to the exact shade of heat you want.

Because modern gas ranges are so colorful and beautifully designed, they add glamour to your kitchen.

Because gas broiling is clean and smokeless. You broil with the oven door closed.

Because gas cooking brings out the tastiness of foods. It's the choice of 95% of Chicago's professional chefs.

Because you can get out and enjoy life more, thanks to the many programmed controls that cook things and keep them eating-warm, automatically.

For more reasons why gas cooking makes sense, call or visit our nearest store or office, or see your appliance dealer.

Burke-Zubor Rites At Holy Name Church

Patricia Ann Burke and Jack Andrew Zubor were united in marriage Saturday, September 16, at Holy Name of Jesus Church in Wilmet, Wis.

The Rev. Joseph A. Strenski performed the marriage ceremony. The bride was given in marriage by her father. The bride is the daughter of Mr. and Mrs. Hillard G. Burke, of Rt. 4, Antioch. The groom is the son of Mr. and Mrs. Jack A. Zubor, Sr., also of Rt. 4, Antioch.

The bride wore a floor-length gown of peau de soie, covered by a cage of chantilly lace with the back enhanced by tiny bows. Her veil of imported illusion was held by a crown of chantilly lace. She carried three large white chrysanthemums trailing streamers of white petals. Miss Kathryn Doetsch was

maid of honor. She wore a street length fitted satin sheath of hot pink with a jacket of chantilly lace. She carried a large pink chrysanthemum trimmed with a hot pink satin bow.

Dave Lulling was best man. Larry Burke, the bride's brother, was usher.

Special music was provided by Mrs. Wagner at the organ. A reception for 150 guests was held at the Angels' Patio. After a honeymoon trip to Florida, the newlyweds will be at home at Cross Lake.

The bride attended Holy Name School and Central High School. She is employed at the Hough division of International Harvester.

The groom is a graduate of Salem Grade School and Central High School, and is employed at Boice Roofing Co., La Grange.

Discuss Sewing And Fashions

Angela Maras, Antioch housewife, 4-H sewing leader and adult winner this year of the State cotton contest for amateur seamstresses, was a guest on the WKRS Viewpoint program last week.

The program was concerned with Sewing and Fashions. Several fashion experts were interviewed by phone during the program. Among those who discussed fashions were Maggie Daley, newspaper columnist and fashion commentator; Jennifer Wayt, fabric buyer with Carson, Pirie Scott & Co.; Mrs. Shirley Sherman, chairman of the Art Institute School of Design; and Dan Fox, head of the Dan Fox Millinery, a supplier of Make It Yourself hat supplies.

Orpha Miller, home economist who teaches at Grant High School, was also on the show.

Mrs. Maras is at present promoting the Make It Yourself Wool contest. She won this contest last year at the State level. This year, several of the girls in her 4-H group, the Antioch Adventurers, will have entries in the contest.

Last year, Angie points out, there were thirteen entrants from Lake County in the contest and six were winners. The contest is sponsored by the Lake County Farm Bureau and the American Wool Council.

Friends Honor Pastor & Wife For 25 Years Of Service

Three hundred and fifty friends and parishioners turned out to honor the Rev. and Mrs. L. H. Messersmith at an Open House at Millburn Congregational Church last Sunday, October 1. The occasion was the twenty-fifth anniversary of the day that the Rev. Messersmith came to the Millburn Church as its pastor.

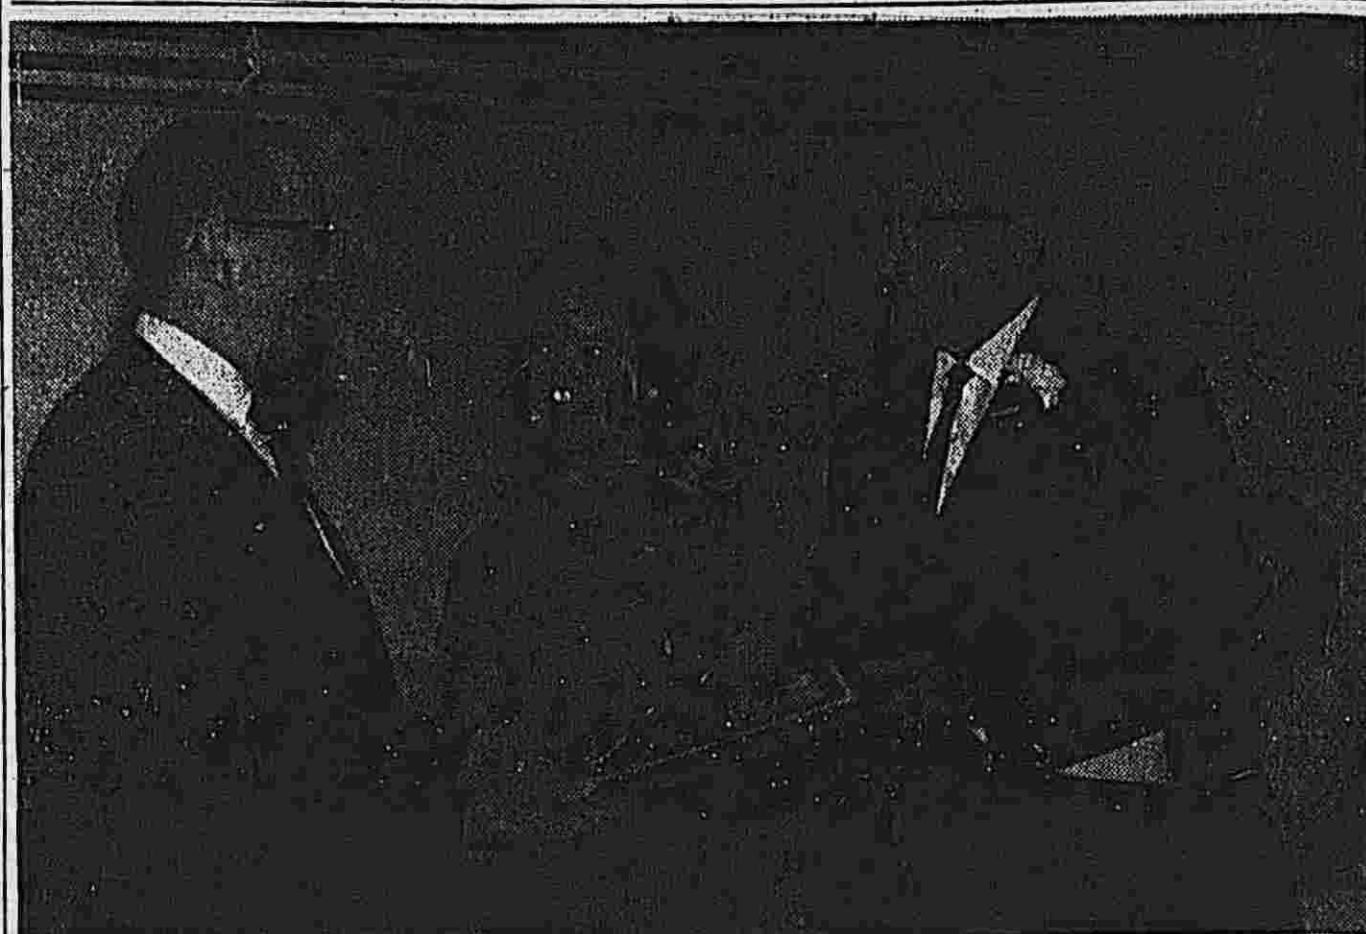

A plaque commemorating their twenty-five years of service to the church and community was presented to the Messersmiths at the morning service. The plaque read: "May it ever be in our minds as upon our coins that in God we trust." - Peter Marshall. "To Lauren & Marguerite, in deep appreciation for a quarter century of devoted service to the people of the community."

Later, at the Open House held from 2 to 5 p.m. in the church basement, a color TV was presented to the Messersmiths.

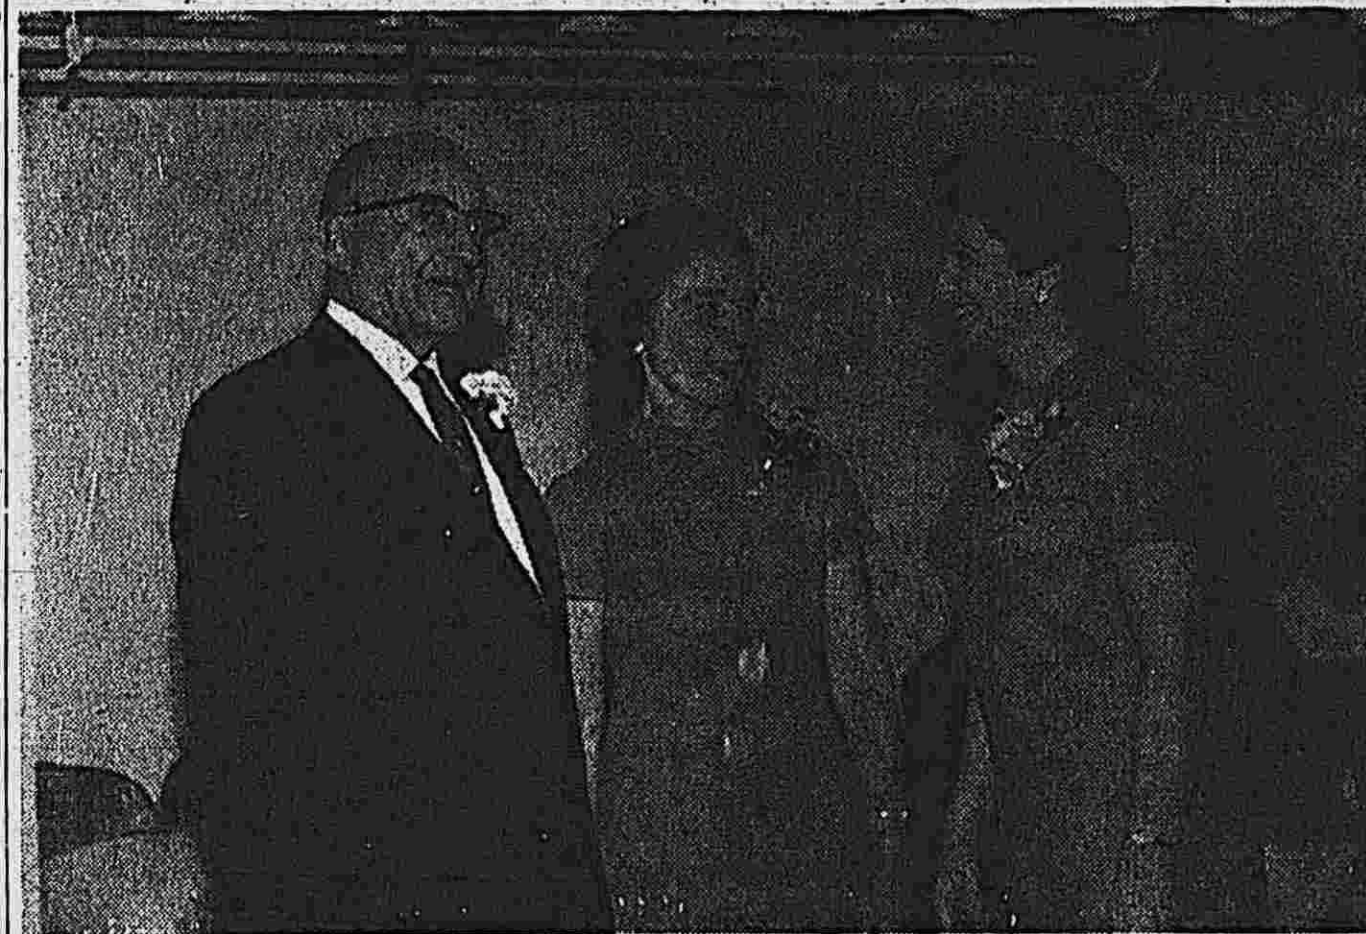

The Messersmiths came to Millburn on October 1, 1942, from Cambridge, Nebraska. "It was just such a beautiful day as this when we arrived in Millburn at about 4 p.m. 25 years ago," the Rev. Messersmith said. "I only intended to stay here three years till I finished my seminary training. But I've enjoyed all my time here."

Mrs. Messersmith teaches

the first grade at Woodland Millburn on Thursday in October, 1942, and has taught throughout the 25 years she has been in the area.

Clayton Engh (left), chairman of the Deacons of the Millburn Congregation Church, presented the Rev. and Mrs. Lauren Messersmith with a plaque in appreciation of 25 years of service to the community last Sunday.

The Rev. Lauren Messersmith and his wife Marguerite are congratulated by Mrs. Ray Jensen at an Open House for the Messersmiths.

Good Turnout for MYF Film Night

The Antioch MYF had an attendance of about 85 persons for film night October 1. There was discussion and a short worship service in addition to the film, with dinner served afterwards.

A regular meeting of the MYF will be held October 8 with plans for the UNICEF feature film program at the Antioch Theatre. Tickets for the film program can be bought at the State Bank of Antioch, First National Bank, PTA meetings and Woman's Club and other functions.

Legion Auxiliary

By Dol Jahneke

Monday evening, October 2nd, the Antioch American Legion Auxiliary 748, hosted a party for 80 war veteran patients in Downey Hospital. Mrs. John W. Horan, Jr., Rehabilitation Chairman, accompanied by Mrs. Joseph Horton, Mrs. Walter Hills, Mrs. Myra Randall, and Mrs. John L. Horan, Sr. attended this party, well laden with many dozens of home-made cookies and ice cream Dixie cups contributed by Auxiliary members and the Antioch Unit.

Another party will be given to patients in a different ward at Downey Hospital on Tuesday afternoon, October 10th.

There will be a Department (state) Workshops Caravan Conference on Tuesday evening, October 10th, at the Mundein Legion Home, at 8:00 p.m. The State President Mrs. Stanley Lotgren, Department First Vice President Mrs. James Phelan, and the Department Membership Chairman, Mrs. Howard Clark, will be present to offer constructive aid in all phases of the American Legion Auxiliary's programs. This workshop will deal with specific programs as related to the 10th District and Unit level. Members will actively participate in this Workshop Caravan, with a question and answer session. It is hoped that many Antioch Auxiliary members will be at this Caravan.

Bristol Oaks Country Club on Saturday evening, September 30.

The agenda for the evening included a smorgasbord dinner, the presentation of awards, the introduction of new board members, and dancing.

Retiring president Ken Smouse introduced the new president, Josef Hunley, and presented him with the gavel of the organization. Other new officers are Alastair Ramsay, vice president; Wayne Bentel, technical director; and Mrs. Robert Jensen and Mrs. Ed. Abderholden, directors. Officers remaining on the board this year are Mrs. Garnet Oddsen, secretary; Robert Lindblad, treasurer; and Mrs. Josef Hunley, Don Beveroth, and Sue Bushnell, directors. Outgoing officers were Art Doty, technical director, and Steve Krotz and Bob Koemoud, directors.

The high point of the evening came when Mr. and Mrs. Josef Hunley presented the "Mr. Thespiis" Hunley awards to Don Beveroth and Al Ramsay for being the outstanding actors of the year. Mr. Beveroth from Paddock Lake, Wis. did outstanding work as the King in *Once Upon a Mattress*, as Mr. Bumble in *Oliver!*, and as Nat Miller in *Take Me Along*. Mr. Ramsay from Duck Lake has been a member of PM&L just one year and starred as Creon in *Antigone*, as Grandfather Pennypacker in *The Remark-*

Fagin in Oliver!

Directors' awards were presented to five people who had done outstanding work on the technical aspect of the productions. Receiving these awards were Mrs. Paul Biel, Antioch, for her work as stage manager; Wayne Bentel, Antioch, for lighting; Mrs. Richard Olson, Antioch, for costume design and creation; Bob Koemoud, Antioch, for set design and construction; and Bill Sershon, Antioch for set and property construction.

Sequoits Lose To Fired-Up Grant Team

A fired-up Grant team routed the Sequoits, 31-13, at Grant last Saturday. Grant's quarterback Steve Spencer, who Antioch Coach Roy Nelson says is "the best in the league", scored two touchdowns on running plays and took to the air for three more.

Last year, the position of the two teams was reversed. Antioch scored an equally decisive victory last year, 33-6. Halfback Dave Camp tallied both Antioch TDs, one in the second quarter, one in the final stanza.

Camp's first touchdown came on a 13-yard pass from Antioch quarterback Greg Drije. In the final quarter, Camp bulldozed his way across from the two-yard line. Bill Nader scored the extra point on a run.

Grant scored two touchdowns in the first quarter, and one in each succeeding quarter. They managed to score only one PAT, that on a pass from Spencer to Heitman.

Antioch gained 127 yards, 52 yards passing and 75 rushing. Grant rolled up 332 yards, 187 yards passing and 145 rushing.

Coach Roy Nelson commended John Meyer and Mike Mazer for their efforts on behalf of the Sequoits. Mike Wells led on defense with 7 tackles and one assist. Ralph Zanek had 6 tackles to his credit. John Meyer 5, Larry Davis 5, and Jim Shore 5.

Senior back Tony Barnett was not in the Grant game, and is lost to the team for the remainder of the year. He is undergoing eye surgery. The surgery is not connected with any football injury.

at Antioch Saturday. It will be Antioch's Homecoming, and Wauconda will be looking to spoil it. "Wauconda's hungry, after sixteen straight conference defeats," Coach Nelson commented. "They held Round Lake up to the final five minutes of play last week, then lost a heart-breaker, 14-12."

"Wauconda is not very big, but they're fast," Nelson commented. "They make the other team make mistakes. Periman, Lills and their quarterback, Wally Thiede, are all fine players. We'll have

to play our best to win." The sophomore game starts at noon at the Antioch athletic field; the varsity game starts at 2 p.m.

Grant: TD — Spencer 2 (25- and 5 yard runs); Pungle (12-yard pass from Spencer); Heitman (4-yard pass from Spencer); Olsen (7-yard pass from Spencer); PAT — Heitman (pass from Spencer).

Antioch: TD — Camp 2 (2-yard run and 13-yard pass from Drije); PAT — Nader (run).

Sequoit Sophs Swamp Grant

Antioch Sophomore football team gained a rousing victory Saturday night as they beat a sound Grant Bulldog team, 26-13.

It took the Sequoits only five plays to score their first TD after they got their hands on the ball. Terry Triplett took the pigskin over right guard behind the blocking of Ted Gruszczycki and Mike Ring for thirty yards for the Sequoits first score. Mike Ring kicked the extra point to make the score 7-0.

Antioch handled the ball only five more times before their second TD. Quarterback Louie Nielsen, faking beautifully, bootlegged the ball and ran 8 yards around right end for the second Sequoit score. The try for the extra point was blocked, and the score was 13-0.

Quarterback Nielsen threw a screen pass to Fred La-

Chance which netted 8 yards and the third Sequoit TD. The extra point was blocked and Antioch left the field with a commanding 19-0 lead at half time.

There was no score in the third quarter, but the offense of the Sequoits was potent as they controlled the ball for every second of the quarter before pushing it over for the score early in the fourth quarter. Terry Triplett took the ball over right guard from four yards out to make the score 25-0. Louie Nielsen passed to Irv Nevett for the extra point, and the score was 26-0.

At this point Coaches Andy Hauptman and Morris Tharp cleared the Sequoit bench. Grant was able to score twice against the Sequoit second stringers.

Jim Jakoh, Dan Serbenz, Jim Rockow, Rick Nelson and Don Carson did a fine defensive job containing the Bulldog offense. The Sequoit offense rolled up a total of 251 yards.

Coaches Hauptman and Tharp expressed their pleasure in the continued improvement of Jim Polley, Allan Powers, Lester Surrock, Jim Haley and Gary Slagle. "These are the boys that have to back up the first string and they will determine whether or not the Sequoits will have a good or great season," Hauptman said.

Ron Ozga did a fine offensive job at center. The Sequoit Sophs will meet Wauconda at noon Saturday at the Antioch High athletic field. They'll be looking for another win for Antioch's Homecoming.

Kraymer Repeats As Champion Angler

When it comes to tournament fishing, George Kraymer of McHenry can't be beat. He proved that when he defeated 28 other finalists in the 1987 Illinois state individual angling contest held on Channel Lake and Lake Catherine in the Chain O' Lakes region near here.

Kraymer caught four black bass—his specialty—and 10 white bass to total 308 points in the seven-hour fishoff held on Sunday, Sept. 24.

In winning, Kraymer set two records, becoming the first to repeat in successive years and annexing his third unprecedented crown.

Bob Svoboda of Antioch, who led at the end of the first three hours of fishing from 11 a.m. to 2 p.m. with two black bass, wound up second in a tournament for the second time within a month. Svoboda totaled 161 points for his two fish. Last month he and his son also finished second in the Illinois adult-child angling meet as Bob Lang and his son, George of Ingleside, took top honors.

Svoboda said: "Well, there is always another year. I'm getting closer. Perhaps I might get a little luckier when most of our Illinois guys fish in the World Series of Fresh Water Fishing October 14-15 (at Long Lake, Wis.). I'll be there and have great hopes of scoring high."

Kraymer, by his state victory, won an all-expense paid trip to the World Series as Illinois' representative. Other anglers may enter the Series by paying an entry fee of \$30, plus other expenses while at the tournament.

In addition to the World Series trip, Kraymer received a huge trophy from Barney Shunnesson, owner and operator of the Channel Lake Boat House, who conducts the Illinois tournament.

Svoboda caught his fish while spoonplugging. Kraymer, on the other hand, used a home-made twin spin to take his black bass, and an Abu-Reflex spinner for the whites.

Kraymer also uses the plastic night-crawler to advantage in his fishing, but, because of the dingy water the day of the finals, decided to work with the twin spin. He explained:

"A spinner alerts the fish with its revolving blade that dinner is being served. Four of the blacks fell for my ruse. On days when the lake was clear and visibility was fair to good, the nightcrawler is unbeatable for bass—big ones."

Eleven of the finalists caught fish. In addition to the champion and runnerup, others and points were: Larry Charlton, of Zion, one northern pike, 150 points; George Wendell of Round Lake, one black bass, 123 points; Ed Pfingsten of Lake Villa, one northern pike, 120 points; Ken Karasek of Westchester, one northern pike, 118 points; Don Nichols of LaGrange Park, 1982 champion, one northern pike, 103 points; Lou Dupre of Calumet City, 10 white bass and one bluegill, 51 points; Ray Gray of Elmwood Park, 3 white bass, 15 points; Ed Rakosnik, Jr., of Chicago, three white bass, 14 points; and Theo-

Rifles Fall From Ranks Of Unbeaten

The Lake County Rifles dropped from the ranks of the unbeaten in the Central States Football League as they lost a decision to the West Allis Racers 6-0.

The game was a spirited defensive battle on both sides as the Rifle defensive unit, sparked by linebackers Bob Cook and Don Rowden, defensive backs Jim Scully and Dick Wolf, and safety Don Lahti repeatedly held the West Allis offensive unit. The West Allis defense had little trouble containing the Lake County attack which suffered visibly from the lack of quarterback Lew Flinn, still out with a shoulder injury.

West Allis's lone tally came after a blocked field goal attempt followed by a roughing the kicker penalty giving the Racers first down and goal to go on the Lake County ten-yard line. In 3 plays Mike Heckle scored from 1 yard out with just 9 minutes remaining. The resulting score was the first given up by the Lake County defensive corps in ten quarters of football.

The Racers, quarterbacked by Jon Wilson, led in most statistical departments in the game. Wilson completed 8 for 22 passes good for 99 yards, while on the ground Heckle rushed 29 times for 104 yards. Leading Lake County ground gainers were halfback Bill Bodle and full back Maurice Guins who combined for just 52 yards.

Midway through the second period coach Cichowski returned Angelo Dabiero to his split end spot and put George Sherman in at quarterback for the remainder of the game. Sherman hit on just two tosses for 21 yards.

The Rifles meet the Northwest Travelers next Saturday in a must game at Waukegan's Weiss Field. The Ar-

lington club is led by two ex-Bear taxi squad players, former All Big Ten Quarterback Fred Custardo of Illinois and his favorite receiver John McGuire of Syracuse University.

Varsity Gridders At North Park College

Wayne Boutin, a freshman at North Park College in Chicago is a member of the varsity football team. Wayne is the son of Mr. and Mrs. Richard Boutin of Rt. 2, Box 250, Antioch.

Wayne is listed on the current varsity roster as a full-back. He's 5' 10" and weighs 190 pounds. In high school he played at Lane Tech.

Coach of the North Park football team is Norm Rathje.

BOWS AND GUNS DON'T MIX

"Don't carry a firearm if you are deer hunting with a bow," William T. Lodge, director of the Illinois Department of Conservation, advised. "Sometimes a bow hunter will pack a side arm while he is in the field after whitetails and this practice is unlawful," Lodge said.

The bow season for deer is divided into two portions. The first begins Oct. 1 and ends on Nov. 6. The second portion begins on Nov. 16 and ends on Dec. 31.

The entire state is open for deer hunting, but archers must obtain permission from the landowner to hunt on private property. A \$5 bow hunting permit is necessary unless the archer is hunting on farm land where he resides. In that case a free permit is issued.

Finds Getting A Deer Is Easy

Lynette (Mrs. Bob) Bana-sack of Felter's Subdivision west of Antioch proved to be the best deer hunter in the group on a recent hunting trip to Northern Wisconsin. Lynette dropped a nice buck 45 minutes after deer season opened. Husband Bob came home empty-handed.

Register Now For Punt, Pass & Kick

Boys between the ages of 8 through 13 can register now at Lyons-Ryan Ford Sales in Antioch for the Punt, Pass & Kick contest.

The contest will be held October 15 at the Antioch High School old athletic field. The contest starts at 2 p.m.

Each boy will be competing against boys of his own age. Three trophies will be awarded in each age group — a gold trophy for first place, silver for second and bronze for third. In addition, each trophy winner will receive a handsome shoulder patch.

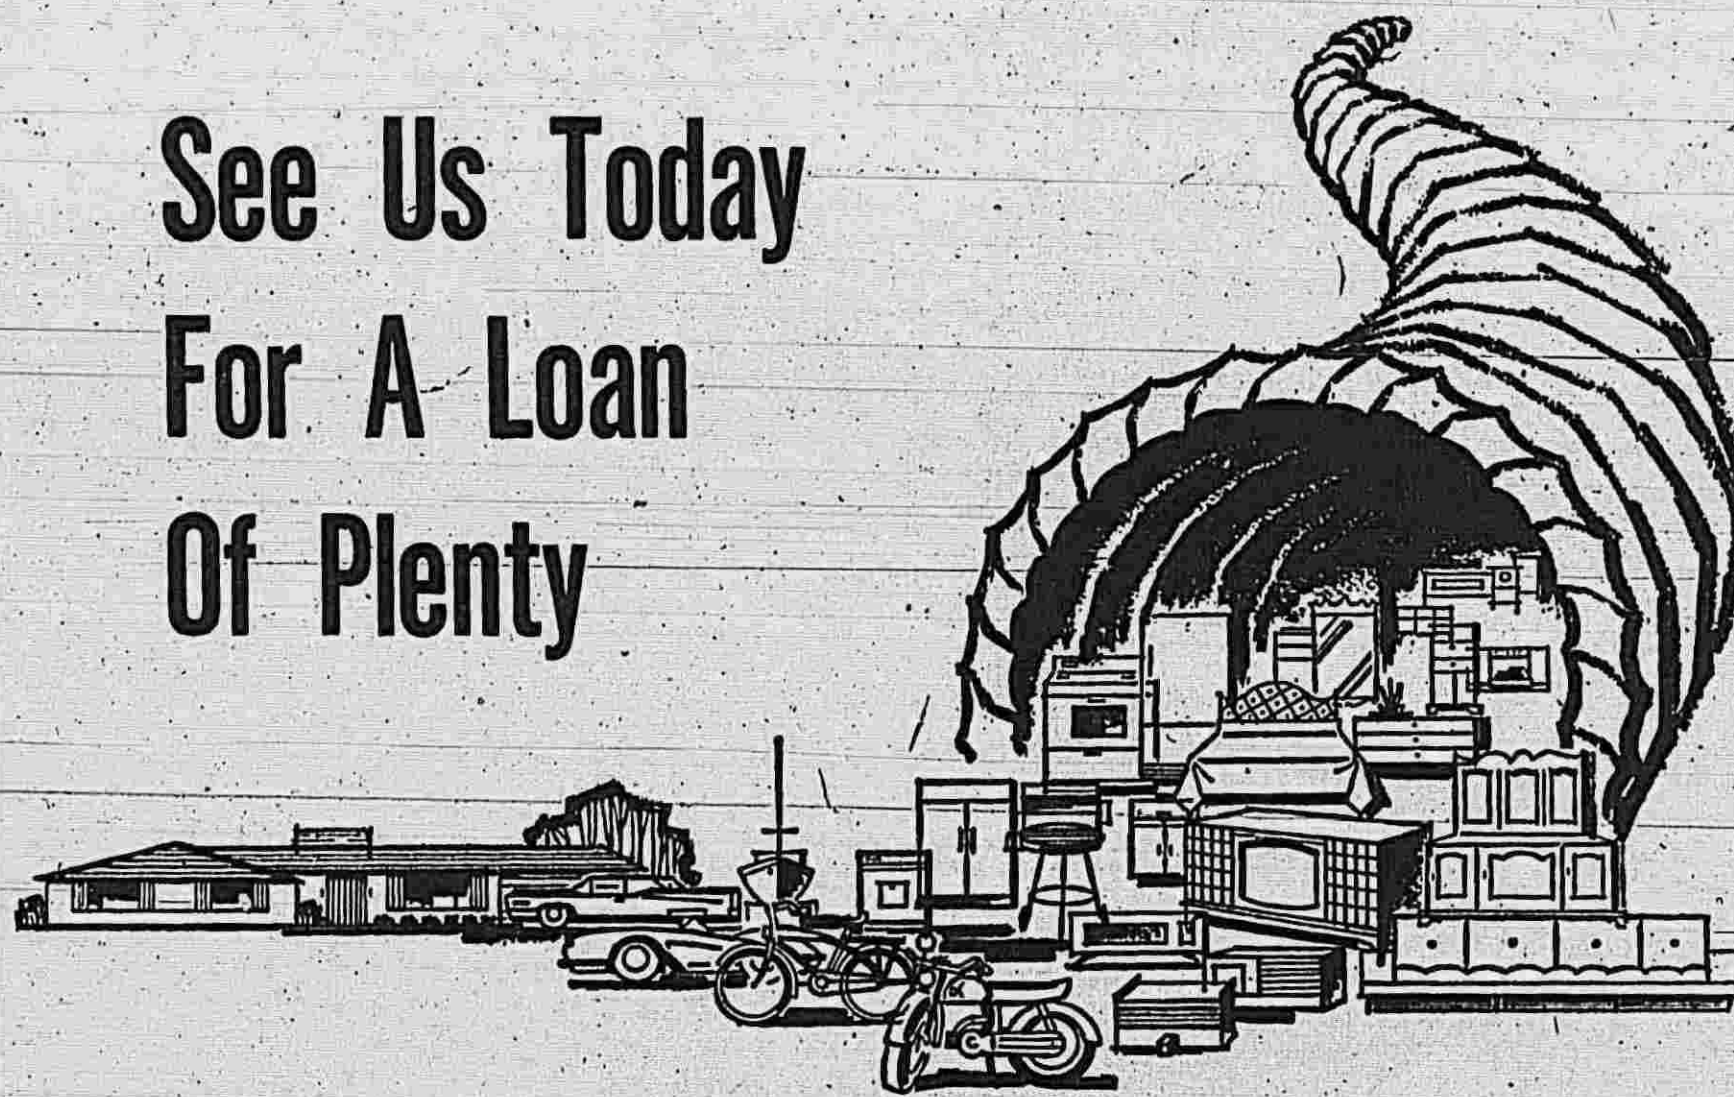

Boys must be registered by October 6.

Roy Nelson, Antioch High's football coach, and his staff will handle the contest. Contestants are scored on accuracy as well as distance.

Scores of the winners in each group are turned in to zone headquarters. Should an Antioch boy have high score in the zone, he will go on to Zone competition, with a chance to go on to District competition, Area, Division and National competition.

Jim Revell of Antioch went on to Zone competition in 1985.

Wild Races Close Track Season At Speedway

Jim Cossman brought the 1967 late model season at the Waukegan Speedway to an appropriate close Saturday night as he handily defeated Norm Zenko and Tim Seyl in the 30-lap main event. Cossman was the point champion at Waukegan this year.

The hobby stock feature was a thriller all of the way as only four cars were running at the finish. Curly Chadwick lead all of the way as the rest of the field piled into the wall and stalled cars, but then on the final lap Chadwick and Chuck Clark tangled while Clark held off Chuck Cernack for the checkered flag.

The demolition race was another wild affair, finally stopped when a car burst into flames. What started as an eight car team head-on demo was reduced to only two cars as Butch's Auto Parts team disposed of Larry Brown's Junks. The two remaining cars rammed and smashed time and time again before the event was declared a tie.

Bacon Shoot at McHenry

(By Harry H. Stern)
The McHenry Sportsmen's Club next attraction is a "PORKY-PIG" Bacon Shoot, and will be held on Sunday, October 8th, on the club trap range on the west side of Pistakee Bay, starting at 11 a.m.

Shooters will vie for Jo-Pat home-cured slab bacon, a gourmet delicacy normally obtainable only in Antioch. Also on the prize menu is a "TURKEY and a CHICK-EN" Shoot. In this one the nimrod with the high score wins a plump young 8 to 10 pound turkey, while the low scoring gun slinger gets a tender chicken. The winner wins, and the loser wins, too.

As the two raced for the checkered flag, fourth running Darv Nissen broke an axle and there was little room between Nissen and the errand wheel for the two to drive through. Harris fell back into second. On the last lap Harris raced Von Otto wheel-to-wheel down the backstretch and sparks flew as the duo headed for Frank Pinter's flag. Von Otto was just two feet better at the finish line.

Bob Klemm won the hobby stock feature in what turned out to be a three car battle. Chuck Cernack held the lead with two laps to go, when a radiator hose let go and sprayed the track. Second place Jim Couch skidded on the water, hit Cernack, third place Bob Klemm and the wall all at once. Klemm took command and beat Couch to the finish line.

Even though Klemm won only track he's ever raced on. He did it well enough however, to beat out seasoned veterans like Harv Dunbar of Delevan, Bruce Johnson of Woodstock and Bob Roper of Chicago.

Racing At Lake Geneva Now Sunday Afternoon

Expected cold weather caused an early Saturday announcement of stock race cancellation at the Lake Geneva Speed Center. Shortly afterwards however, the sun broke out and ended a threat of forecasted frost for the evening and many race fans showed up at the Speed Center in spite of the numerous radio announcements regarding the cancellation.

As previously announced, the Speed Center will start its Sunday afternoon stock car racing on this Sunday, October 8, at 3:30 p.m. Sunday afternoon racing will continue throughout October or until cold weather forces final closing for the 1967 season.

Break In Long Winning Streak Of Sequoia Harriers

After seventeen consecutive wins in dual triangular meets, the Sequoia harriers had their first loss Sept. 21. Grant defeated Antioch, 28 to 29.

Effinger was Antioch's leading runner, taking second in the meet. Chuck Denman took fifth place.

Antioch lost again to Warren at Warren, Sept. 26. Antioch had 34 points to Warren's 22. Bill Effinger again lead the Antioch runners, taking second place. Jim Maier was 6th and Chuck Denman seventh.

Antioch scored a win over Grayslake Sept. 28, Antioch 15, Grayslake 49. Antioch's five runners finished one, two, three, four, five, with Bill Effinger leading, followed by Chuck Denman, Jim Maier, Bob Biaggi and Mike Polley.

At the Grant Invitational, with thirteen high schools participating, the Antioch Juniors took first place and brought home a trophy. The Sequoia seniors took fourth place, the sophomores 13th (not a complete team) and the freshmen fifth.

The Antioch Juniors scored 58 points. The second-place team, West Chicago, scored 88. Chuck Denman lead the Sequoia juniors, taking sixth place in the meet. He was followed by Bob Biaggi, 8th; Jim Maier, 11th; Lynn Barthel, 13th and Gary Doolittle, 20th.

Bill Effinger lead the senior Antioch runners at Grant, finishing 9th. John Mikosh was 18th and Mike Polley 24th. West Chicago took first place, followed by Ridgewood, Grant, then Antioch.

Clarence Archer lead the sophomore Antioch harriers, taking 24th place, with Mike Griffin taking 29th. Had Antioch had a complete sophomore team, Antioch would have had second place in the over all tournament standings. However, Antioch was ineligible because there are not enough sophomore runners.

The Antioch freshmen were fifth in the tourney. Tom Effinger took the No. 1 spot in the freshman meet, and

high school athletic field.

Coach Adrian Mueller says the Antioch boys are finally getting healthy. They've been plagued with sore feet and injuries. Biaggi is back in action, and Coach Mueller is hoping to keep the squad intact from now on.

In this race, Couch still held enough points to win him the hobby stock driving crown. Couch survived two roll-overs in his title chase, but apparently these spills didn't slow the Grayslake rookie.

The next racing at the Waukegan Speedway will be in mid-April of 1968. The annual speedway trophy dance is October 21 at the Angels Restaurant.

Social security is when a boy has the only baseball in the neighborhood.

Shells and hot refreshments will be on tap in the warm club house all day long.

1859-1967...108 YEARS YOUNG

**WE STARTED IN 1859 BUT...
WE'RE NOT
108 YEARS OLD!**

We're 108 years young.

We're old enough to understand the soundness of time-tested basic ideas, but young enough to keep trying to improve them.

Modernization and keeping abreast of new ideas and techniques is a must for today's successful business.

We wouldn't be the world's largest food retailer

if we weren't constantly thinking modern, thinking young.

But some basic thinking never changes.

Take that of our founder for instance.

He was dedicated, as we are, to bringing

the most good food, to the most people,

for the least amount of money.

To being fair, honest and trustworthy.

To caring about the people he served.

No matter how progressive, how automated, how modern we become, we pledge to maintain these sound principles of our founder.
